Ex. 7(A)

Jess & Joe –

See attached for revisions to the **Ex. 7(A)** in which I've attempted to address the issues that were outlined below or identified in the document comments. I think I've appropriately updated the column headings and dropdown menus in **Ex. 5 AC / Ex. 7(A)** to reflect the 114 revisions, but I think it'd benefit from a final check before sending it out to the company.

Like an idiot, I didn't accept changes before making these revisions, so I apologize that this round of revisions might not be as easy to track as it should be.

Hi Sara, these look good. A couple highlevel comments:

Ex. 5 AC / Ex. 7(A)

Thanks. I can probably find some time next week in Utah to chat if you'd like and want to get this into concurrence.
